EDUCATION

UNIVERSITY OF MICHIGAN

Ann Arbor, MI · Aug 2025 – May 2027

Master of Business Administration; Ross School of Business

- *Director of Education, Wolverine Venture Fund*: built a structured curriculum and course syllabus for the fund's education-first mission, leading interactive learning sessions and developing public-facing materials. Sourced and diligenced Seed to Series B companies as a member of the biotech team.
- *Co-President, Entrepreneurship and Venture Capital Club*: elected to lead Ross's primary founder and investor community, directing club strategy, operations, and programming.
- *VP Corporate Relations, AI and Emerging Tech Club*: built the club's relationships with AI companies and startups, creating channels for members to learn from and build alongside their operators.
- *Peer Coach, Venture Capital, Ross Career Development Office*: advised MBA students on breaking into venture capital, starting from their story and using it to shape firm targeting, memo work, and outreach.

HARVARD UNIVERSITY

Cambridge, MA · Sep 2017 – May 2021

Bachelor of Arts, Neurobiology; Secondary in Slavic Languages and Literatures

- Thesis: Behavioral Effects of SRGAP2 Knockout in Mouse Visual Cortex.

EXPERIENCE

DETROIT VENTURE PARTNERS

Detroit, MI · May 2026 – Aug 2026

Venture Capital Fellow

- Designed and deployed three production-grade data tools and a payor value model for portfolio company NeuroSonic, mapping federal health data across 306 hospital referral regions and modeling payor economics across 8 risk cohorts; produced a proprietary Opportunity Score now informing commercialization prioritization.
- Built a fund-of-funds portfolio analytics system modeling LP capital accounts, two-layer fee and carry netting, and look-through exposure across 200+ holdings and 70+ LP stakes, producing TVPI, DPI, XIRR, TWR, and PME analytics.
- Supported full deal-cycle exposure across 15+ founder meetings, from first introductions through ongoing diligence conversations, alongside portfolio reviews and sourcing calls.

INDEPENDENT CONSULTANT

Cambridge, MA · Dec 2022 – Present

Independent Consultant

- Developed targeted business plans, investor-facing memos, and market landscaping for 4 startups across retail and tech industries leading to strong early interest from angel investors.

COGNITO THERAPEUTICS

Cambridge, MA · Mar 2021 – Apr 2024

Senior Associate, Commercial

Jan 2023 – Apr 2024

- Led 12+ strategic licensing and M&A initiatives with pharmaceutical and med tech companies, delivering two term sheets with emerging international medtech partners.
- Generated and presented two alternative go-to-market strategies to senior leadership to optimize market entry, enhance the core business model, and expand pipeline opportunities.

Analyst, Business Development

Mar 2021 – Jan 2023

- Spearheaded a \$4.5 million Series B financing including outreach, diligence, and stakeholder engagement, resulting in the largest investment to date from a leading biomedical foundation.
- Initiated strategic collaboration discussions with 10 international entities and delivered a collaboration deal for a biomarker substudy.
